

CBSE has developed online academic repository named 'परिणाम मंजूषा' in Oct.2016 which stores Certificates, Marksheets & Migration of all students passed 10th & 12th CBSE Board Exams of last four years including 2017 Board Exam.

परिणाम मंजूषा enables students to download copies of their certificates by paying a nominal fee. It also facilitates online verification of student's certificates by Academic Institutions as well as potential Employers by paying a fee through payment gateway.

So far more than 11 lakh students have downloaded copies of their certificates and 270 Academic Institutions & Employers have registered for online verification on परिणाम मंजूषा portal.

It has been linked to E-Sanad portal of MEA for online authentication of academic certificates of students going abroad.

CBSE will also upload entire data of students' certificates to National Academic Depository (NAD) once it becomes operational. NAD being developed by UGC under MHRD which will store millions of academic awards from Universities and Education Boards in the country.
